Western District
of Wisconsin

Bradley v Novak
20-C-328 J.D.P.

First off I want to apologize to the Western District of Wisconsin for the overfiling of complaints and motions in their courts. Pursuant to Rule 60 Fed R Civ P, and Rule 2 and 27 Fed. R. A. P., plaintiff files a emergency motion for suspension of rules and relief from judgment in this case. Plaintiff has accumulated overwhelming evidence of fraud under his other name. Plaintiff can now argue waiver of tolling limits (time). This complaint will be handed to a lawyer upon plaintiffs release from prison as part of a conspiracy to falsely detain plaintiff. Plaintiff will no longer be filing any motions or complaints in this court unless they have merit [REDACTED] in current open lawsuits and plaintiff will be filing

a series of petitions pursuant to 28 U.S.C. § 2254 to protect all rights to false imprisonment. Plaintiff will be involving the media in his situation in regards to the Eastern District of WI, 7th Cir, Dodge Co Sheriffs Dept and WI D.O.C. Plaintiff wants a clear record moving forward of any and all intentions

Respectfully submitted
